

Is there something going on in your life that is worrying you?

We are here to help. Talk to a member of staff as soon as possible. This could be a lecturer, guidance tutor, CQL, Student Advisor, Student Counsellor, Student Wellbeing Advisor or one of the Students' Association Officers.

OR

Are you worried about another student?

Perhaps you have noticed a difference in their behaviour, appearance, mood or something else that you think might be affecting them or doesn't seem right.

Let a member of staff know about your concerns as soon as possible. This could be a lecturer, guidance tutor, CQL, a Student Advisor or any other member of staff you feel comfortable talking to.

We will listen to your concerns and note these down. The member of staff may then notify a member of the college's safeguarding team for further advice and support.
